

Dear Fellow Classmate:

Congratulations! You have been out of high school for 20 years now and you're finally about to knock off your second score. Yeah, you'll be forty soon, if your not already, and we know you have matured a lot since the last time we were together. We hear you look old and we want to check you out! Sooo.... We're having a "YOU NEVER GREW UP, BUT YOU LOOK OLD ANYWAY PARTY" for you and 672 of your old buddies.

This is the second flier that we've sent out. So if you lost the first one, the dog ate it or you accidentally lined the cat box with it, here is another chance to get in on the fun, because.... It's time for your 20th Edgewater High School Fighting Eagles of 1969 Class Reunion. The dates are August 11, 12, & 13. That gives you 3 months to whip yourself into shape and look as presentable as possible. Cinch up your girdle and color that gray right out of your hair. Suck that gut up closer to your shoulders and swirl the rest of your hair around to cover what already is or will soon become a bald head.

We have planned an exciting weekend. We'll cruise the Steak 'N Shake on 17-92 for a little curb service on Friday night and then head over to Dubstread for our 10th anniversary of our 10 year reunion. Saturday night we will be at the old Orlando Youth Center with a live band where you'll be able to get in a little grubbin' out in the bushes without everybody around. Sunday we'll be back at Edgewater for a family picnic where you can walk the halls and tell your kids about all the crazy things you did that they better not do. You may even be lucky enough to win one of our "Special Awards".

We are all looking forward to seeing everybody. So if you haven't sent in your information sheet, do it NOW! Don't worry about how old you look, just come and Be Happy! It will make us happy just to see you there. And, heck, we all look just as old and goofy as you do!
